

Amendments to the Claims:

This listing of claims will replace all prior versions and listings of claims in the application.

Listing of Claims:

1. (Withdrawn) A preparation for treatment of cervical erosion, wherein comprising products of *Nocardia Rubra* cell wall skeleton.
2. (Withdrawn) The preparation of claim 1, wherein comprising pharmaceutically acceptable carriers.
3. (Withdrawn) The preparation of claim 1, wherein *Nocardia Rubra* cell is deposited in China General Microbiological Culture Collection Center with deposition No.: CGMCC No0712.
4. (Withdrawn) The preparation of claim 2, wherein the pharmaceutically acceptable carriers include carbohydrate, glycoside, fat or fatty acid, protein, amino acid, esters, spirits, demasorb, hydroxycarboxylic acid, poly-anion, surfactant, antiseptic, antioxidant and dextran.
5. (Withdrawn) The preparation claim 2, wherein content of *Nocardia Rubra* cell wall skeleton is in amount of 0.005 weight % -99 weight % based on the total weight of the preparation.
6. (Withdrawn) A process and test method of a preparation of treating cervical erosion wherein:

After cultivating, collecting thallus, cell fragmentation, purifying the enzyme, removing the grease, *Nocardia Rubra* cell wall skeleton is obtained, followed by mixing the *Nocardia Rubra* cell wall skeleton and the pharmaceutically acceptable carriers to obtain the preparation;

A quality test method includes batch detection of strain of *Nocardia Rubra*, culture liquid of *Nocardia Rubra* cell wall skeleton and a final product containing *Nocardia Rubra* cell wall skeleton.

7. (Withdrawn) The preparation of claim 6, wherein the pharmaceutically acceptable carriers include carbohydrate, glycoside, fat or fatty acid, protein, amino acid, esters, spirits, demasorb, hydroxycarboxylic acid, poly-anion, surfactant, antiseptic, antioxidant and dextran.

8. (Withdrawn) The preparation of claim 6, wherein the content of *Nocardia Rubra* cell wall skeleton is in amount of 0.005 weight % ~99 weight % based on the total weight of the preparation.

9. (Currently amended) A method for treatment of cervical erosion, wherein comprising applying a pharmaceutically effective amount of *Nocardia Rubra* cell wall skeleton preparation directly on a suffering site of subject.

10. (New) A method for treatment of cervical erosion, comprising using *Nocardia Rubra* cell wall skeleton in preparation of an agent for the treatment of Cervical erosion.

11. (New) The method of claim 10, further comprising applying the agent direct on a cervical erosion site.
